## Our Mission Statement

A place of compassion and peace, we offer our care at no cost to the resident but instead we rely solely on donations and memorials. At no time do we charge the insurance, the agency or the family directly for the care given in our home. We are rebuilding our home financially, the volunteer base and our hearts as we venture forth after a 2-3 year struggle. Help us to light the path for our future residents!

Volunteers for resident care are always needed. In addition, we are in need of support caregivers for house cleaning, gardening/yard work and maintenance.

May you know peace,  
*The Journey Home Family*

Donations are gladly accepted on our website: [JourneyHomeGreece.org](http://JourneyHomeGreece.org)

*“I saw the river over which every soul must pass  
to reach the kingdom of heaven,  
And the name of that river was suffering:  
And I saw the boat which carries souls across the river,  
And the name of that boat was love.”*

St. John of the Cross

## *From the Heart of the Director...*

In addition to the wonderful care being given in Journey Home, love also surrounds the outside of our home. This wonderful occurrence happens every Spring labeled—The United Way Day of Caring. We experienced this in a huge way this past May 19th. Twenty-one people from L3Harris and The Ridgemont Wegmans graced our yard armed with tools and eager hands to help trim, clean the beds, mulch them, bring out the outdoor furniture and spruce up the whole yard. There were so many cars they needed to park on the grass. The caveat was the pouring rain which came and stayed.

The Board members present were in awe at how everyone wanted to work regardless of the weather.

Drenched and tired, they enjoyed a lunch provided by Wegmans and Journey Home in the warm basement family room. What an awesome site and a fine example of devotion to our home. The community is a strong part of our ministry whether it be through fundraising or dropping off much needed supplies. COVID did not rob us but rather it stirred in us the need to be active once again, to care and to love the vulnerable.

As we celebrate 200 years of the Town of Greece, Journey Home is grateful to be a small part of its woven tapestry for over 23 years!

*In Peace, Your Director,*

*Tracey Jagla*
